Experience pure relaxation with Cleopatra's foot baths

Treat yourself to a moment of luxury and well-being with Cleopatra's foot baths. After a busy day, your feet deserve the best care. Thanks to the integrated massage system, tired feet are wonderfully stimulated, while the gentle movement of the water helps release tension and create a sense of total relaxation.

The atmospheric color lighting adds an extra dimension to the wellness experience. The changing colors create a soothing ambiance and turn every foot bath into a relaxing ritual for body and mind. Whether you want to unwind after work, after a workout, or simply enjoy a moment of pampering at home, a Cleopatra foot bath brings the spa experience right into your own bathroom.

For an even more intense experience, you can add fragrances or aromatic bath salts. The pleasant scents stimulate the senses and add an extra dimension to your moment of relaxation. This way, every foot bath becomes a complete wellness experience where comfort, care, and relaxation come together.

Discover for yourself how Cleopatra's foot baths provide warm, relaxed feet and a wonderful sense of calm. Wellness starts with your feet.
