Cleopatra

Since 1966, Cleopatra has been the Dutch manufacturer of luxury, high-quality wellness products. Our product range includes steam/shower cabins, custom steam solutions, bathtubs, whirlpools, saunas, infrared cabins, and spas. We serve both consumers and the professional market. Cleopatra's primary source of inspiration is water, with the consumer's need for relaxation as our top priority. To ensure quality, all our products are manufactured in-house by skilled craftsmen. In addition, we subject all manufactured products to a comprehensive and thorough quality test. With our passion for the product and our many years of experience, we guarantee the highest quality and durability of all Cleopatra products.
